Leaders of Industry

Established in 1981, the Australian Sports Turf Managers Association represents over 1,600 members as the peak industry body for Sports Turf Management in Australia.

A not-for-profit incorporated Association, the Australian Sports Turf Managers Association represents professional Sports Turf Managers across Cricket Curators, Golf Courses, Sportsfields & Grounds, Racetracks, Lawn Tennis, Councils, Turf Equipment Technicians and other related fields, the association supports members through education, facilitating Industry Awards, advocacy, and research & development into professional and environmentally sustainable Turf Management.

The Australian Sports Turf Managers Association works to improve the knowledge, welfare and professional standards of its members and other industry professionals as well as the production of quality turf playing surfaces at Sport & Recreation facilities across Australia.

As a Registered Training Organisation (RTO #46011), the Australian Sports Turf Managers Association is endorsed by the Australian Skills Quality Authority (ASQA), recognised to deliver formal education and National Qualifications under the Australian Qualification Framework (AQF).

The Australian Sports Turf Managers Association currently delivers formal training and assessment for Nationally Recognised Training Qualifications in Sports Turf Management including the;

- **Certificate III** Sports Turf Management AHC31319
- **Diploma** of Sports Turf Management AHC51019

In addition, the Association provides a range of services to members and the industry, including:

- The annual Australian Sports Turf Management Conference & Trade Exhibition
- National Sports Turf Management Industry Awards
- Sports Turf Education Seminars and Programs
- The First Green Education Program
- Australian Sports Turf Management Industry Magazine
- Sports Turf Management industry Guides, Templates and Resources
- Women in Turf Program

AHC51019 Diploma of Sports Turf Management

The Diploma of Sports Turf Management is ideal for individuals working in the sports turf area who currently hold a Certificate III in Sports Turf Management, and are looking to advance their career into senior pr management positions. This qualification enhances the skills and knowledge for management roles in sports turf.

It applies to individuals who are responsible for the management of sports turf facilities and who analyse information and exercise judgement to complete a range of advanced skilled activities and demonstrate deep knowledge in specific technical areas. They have accountability for the work of others and analyse, design and communicate solutions to a range of complex problems.

Entry Requirements

To commence this qualification an individual must have:

- completed a Certificate III in Sports Turf Management or an equivalent turf management trade level qualification, or
- a certificate III level qualification in amenity horticulture combined with two years current work experience in a trade level role at a sports turf facility, and
- complete a language, literacy and numeracy (LLN) assessment to demonstrate that they have the required level of LLN skills required by the course

Course Information

Students will undertake 14 units of competence including;

- Manage Enterprise Staff Requirement
- Develop Policies and Procedures for Sustainability
- Audit Irrigation Systems
- Manage Sports Turf Facility Assets
- Develop a Soil Health and Plant Nutrition Program, and Management Programs
- Manage Trail and Research Material
- Prepare and Monitor Budgets and Financial Reports

Training

This qualification is delivered virtually (online) over two years, to offer greater flexibility and accessibility for turf professionals.

Face to Face tutorials will be conducted weekly, one unit at a time, covering curriculum criteria and assessment requirement. Assessments will be short answer written questions covering the knowledge evidence of the unit and portfolio of evidence consisting of work-based reports and student presentations for each unit. You will be provided with all resources on commencement of each unit.

Course Costs (AHC51019)

Total Tuition Fee:

- Standard (Subsidised) \$6,160
- Full fee \$14,860

Undertaking a Diploma in Sports Turf Management, allows students to increase their understanding of leadership activities, expand knowledge and develop key technical skills to pursue senior or managerial positions within the Sports Turf Management industry
